

Request for Letter of Support

To Whom it May Concern:

_____ is applying to be a participant in the 2021 Verso Ministries Frassati Fellowship program. This six-month formation program is built around three pillars - Formation, Community, and Travel. As a Fellow, participants commit to regular meetings and assignments, one-on-one mentoring, and a 9-day pilgrimage to the Holy Land. Through contemplation of the life of Jesus and travel with a peer network of passionate evangelists, the end goal is to rejuvenate each Fellow's call to Catholic ministry, equipping them and forming them to be leaders in our Church for years to come.
